

MOHAN RAJ E

Python Full stack Developer

📞 +91 9384401306 ✉️ mohancodes5@gmail.com  www.linkedin.com/in/mohan-raj-e

ABOUT ME

I am a motivated Full Stack Developer with hands-on experience in building end-to-end web applications. I enjoy solving real-world problems through coding and creating functional, user-friendly solutions. I am passionate about continuous learning and applying new technologies to deliver impactful projects.

EDUCATION

ST Thomas College of Arts & Science | 2022 -2025

Bsc Computer Science

B.Sc. Computer Science student at St. Thomas College of Arts and Science with a strong academic foundation and interest in technology and problem-solving.

CERTIFICATIONS / COURSES

Code 99 IT Academy |2025 May - 2025 October

Completed a Full Stack Development course at Code 99 IT Academy , gaining hands-on experience in building web applications, working with front-end and back-end technologies, and understanding database management.

PROJECTS

- **Personal Portfolio**

Created a personal portfolio website to present my web development projects and showcase my skills. Highlights responsive design, practical coding experience, and real-world applications

- **AC Service Website**

Developed a website for an AC service business to showcase services, enable customer inquiries, and provide easy contact options. Focused on user-friendly design and responsive functionality.

- **Electrical Website**

Created a responsive electrical service website to enhance customer engagement and streamline service requests, demonstrating skills in web design and front-end development.
